National Sameday Acquires In Time Movements

NATIONAL SAMEDAY EXPANDS ITS LOGISTICS HUB IN ROAD HAULAGE FIRM ACQUISITION AT HEATHROW AIRPORT

National Sameday is pleased to announce that it has acquired In Time Movements Limited. In Time Movements specializes in the transportation of LCL Seafreight import/export in the South of England as well as operating as a receiving depot with warehouse facilities based in Heathrow.

Partha Dey, National Sameday Managing Director, commented,

"National Sameday, has continued to expand in the last two years, with continuous investment in staff, IT software and vehicles to optimize the services it provides to its clients nationwide. This further investment and commitment by National Sameday, as a result of our steady growth strategy, enhance our services further. This is an exciting new acquisition which will allow for National Sameday to expand on its excellent road transport services, warehousing facilities, existing business and contracts established by In Time Movements Ltd.

National Sameday will now continue to leverage investment infrastructure, facilities, and operational capabilities to position the combined companies for long-term growth and success. In Time Movement clients can expect to interact with the company as they always have and receive continued excellent service from the existing team. Once the integration is complete, National Sameday expects clients to enjoy an expanded offering that draws upon the breadth of expertise from both companies."

Steve Lewis, In Time Movements Managing Director, commented,

"In Time Movements Ltd has experienced all the industry has had to throw at it over the last 30 years, managing to maintain its high standard of service to an expanding client base. The workforce has established a reputation in LCL Seafreight import export market and will continue to do so.

As Managing Director, I am pleased that in National Sameday Ltd, I have found a company with the same principals and attitude to service that will surely benefit the new company moving forward."
